The following special conditions of supervision were ordered: Alcohol treatment; Special Assessment \$10; Fine \$1,000; Enter an approved "DUI Program" and provide proof of enrollment and completion to his U.S. Probation Officer; Restriction of driving privileges for 90 days, except he may drive to and from work and to and from his counseling program; Shall not operate a motor vehicle with any measurable amount of alcohol in his blood; and Maintain proof of financial responsibility for 3 years. Supervision commenced on October 20, 2005.

The offender is requesting permission to take a vacation, with friends, to Costa Rica from March 7, 2006 until March 14, 2006. The Costa Rican consulate has been contacted and informed that they have no prohibition against the offender traveling to their country.
